

DIAGNOSED WITH PSORIASIS? EXPLORE YOUR OPTIONS

Do you have moderate-to-severe
plaque psoriasis?

Are you aged 18 years or older?

Then you may be able to take part in IXORA-R – a clinical research trial that aims to help doctors and patients better understand their treatment options. IXORA-R will compare the safety and effectiveness of two approved medications under investigation in people like you. Please contact the study staff to learn more.
